Heated Glass Shelf Modular

Model: HGSM-1P

The black ceramic glass on Hatco's Heated Glass Shelf Modular creates uniform heat across the entire top surface. The new design uses a modular system so units can be placed side-by-side.

Standard features

- Unit's glass surface accommodates one 12" x 20" food pan (1/1 GN pan - 530 x 325 mm)
- Thermostatically controlled with five settings: 130°F, 150°F, 165°F, 185°F and 200°F (55°C, 65°C, 75°C, 85°C and 95°C)
- The portable, modular system design allows for great flexibility in the buffet area
- Durable stainless steel housing
- Simple design for easy cleaning and maintenance
- All units come with a 6' (1829 mm) cord and plug, located left back of unit
- Available for UPS shipping
