

# **Tools – Deburring Tools**

Deburring Tools					
Part #	Pcs/Pkg	Price	Description	Common Uses	
107010	1	\$5.00	Universal deburring Handle, with spare blade storage compartment	–	
107011	1	\$3.25	Steel blade holder for B blades	–	
107012	1	\$9.00	Deburring blade - B10	HSS blade most commonly used for internal and external deburring work on long-chipping materials such as steel, aluminum, plastics etc.	
107014	1	\$9.00	Deburring blade - B20	HSS blade used for short-chipping materials such as brass and cast iron. Can be used in both directions.	
107015	1	\$10.00	Deburring blade - B30	HSS blade suitable for the simultaneous deburring of inside and outside bores in material up to 5/32" thick.	
107016	1	\$7.50	Deburring blade - B50	Scriber with carbide-tipped point, regrindable.	
107019	1	\$3.25	Steel blade holder for C blades	–	
107020	1	\$8.50	Deburring blade - C40	Small HSS triangular scraper for precision work on surfaces up to 5/32" wide.	
107021	1	\$10.50	Deburring blade - C42	Large HSS triangular scraper for precision work on surfaces up to 5/16" wide.	
107025	1	\$3.25	Steel blade holder for E blades	–	
107026	1	\$10.00	Deburring blade - E100	HSS blade with B 10 cutting edge, long shank only. For internal and external deburring work on long-chipping materials such as steel, aluminum, plastics etc.	
107027	1	\$10.00	Deburring blade - E200	HSS blade with B 20 cutting edge, long shank only. For short-chipping materials such as brass and cast iron. Usable in both directions.	
107028	1	\$10.00	Deburring blade - E300	HSS blade with B 30 cutting edge, long shank only. For simultaneous deburring of internal and external bores in materials up to 5/32" thick.	
107029	1	\$10.00	Deburring blade - E350	HSS blade suitable for deburring straight edges, keyways etc.	
107031	1	\$3.25	Steel blade holder for F countersinks	–	
107032	1	\$7.75	Countersink F12	HSS countersink for deburring holes up to 1/2" Dia	
107033	1	\$13.50	Countersink F20	HSS countersink for deburring holes up to 3/4" Dia	
107034	1	\$26.00	Countersink F30	HSS countersink for deburring holes up to 1-3/16" Dia	
107054	1	\$7.75	Deburring tool with changeable E100 Blade	Internal and External deburring on long-chipping materials such as steel, aluminum and plastic.
