Bath Fan Upgrade Kit
Model 690

- Upgrading bath fan performance is easy with our all-in-one kit. **NO** rewiring. **NO** new duct work. **NO** hassles. ALL in just **10 minutes!**
- New motor (60 CFM and 3.0 Sones) reduces sound up to 50%, improves air movement up to 20% and helps control humidity that causes mold and mildew.
- New Grille: Upgrade your bathroom's look with a modern white grille.
- Wrench: No special tools are required. The kit has everything you need including new components, a wrench, fasteners, and complete step-by-step instructions.
- Two motor plates included to fit most economy fans.
